

Community Health Systems' CEO Development Program

Community Health Systems, Inc. is one of the nation's leading operators of general acute care hospitals. With over 80 hospitals in 16 states, we are dedicated to providing quality healthcare for local residents and contribute to the economic development in the communities we serve. These hospitals offer a wide range of state-of-the-art diagnostic, medical and surgical services in inpatient and outpatient settings. The CEO-Development Program is an entry point to a fast-track career path that provides qualified MHA graduate students and young professionals with progressive advancement from Administrative Specialist, to ACEO, to COO and ultimately to a hospital CEO role.
